

Tree and Shrub Flowers by Month

| Blooms Begin | Botanical Name | Common Name | Blooms Into | Flower Color | Size (ft) | Light Requirements |
|-----------------|-------------------------|-----------------------|-------------|---------------------------------------|-----------|--------------------|
| January | Hamamelis vernalis | Witch Hazel | April | Yellow/Red, Purple | 6-10 | Sun/Part Shade |
| February | Hamamelis x intermedia | Witch Hazel | March | Yellow | 12-15 | Sun/Part Shade |
| March | Forsythia var. | Forsythia | April | Yellow | 3-9* | Sun/Part Shade |
| April | Amelanchier var. | Serviceberry | April | White | 15-20 | Sun/Part Shade |
| | Aronia arbutifolia | Chokeberry | April | White | 6-8 | Sun/Part Shade |
| | Azalea | Azalea | May | Pink, White, Red | 2-5* | Part Shade/Shade |
| | Cornus florida | Flowering Dogwood | May | White, Pink, Red | 20-25 | Sun/Part Shade |
| | Fothergilla var. | Fothergilla | May | White | 2-5* | Sun/Part Shade |
| | Halesia carolina | Carolina Silverbell | April | White | 30-40 | Sun/Part Shade |
| | Kerria japonica | Kerria | May | Yellow | 5-10* | Part Shade/Shade |
| | Magnolia var. | Magnolia | May | White, Yellow, Pink, Purple | 8-20* | Sun/Part Shade |
| | Pieris japonica | Mountain Andromeda | April | White | 2-8* | Part Shade/Shade |
| | Prunus cerasifera | Flowering Plum Tree | April | Pink | 15-25 | Sun/Part Shade |
| | Prunus serrulata | Flowering Cherry Tree | April | White, Pink | 15-25 | Sun/Part Shade |
| | Pyrus calleryana | Flowering Pear Tree | April | White | 25-35 | Sun/Part Shade |
| | Syringa var. | Lilac | May | Purple, Pink, White | 4-12* | Sun |
| May | Abelia x grandiflora | Glossy Abelia | June | White | 3-6 | Sun/Part Shade |
| | Cornus kousa | Kousa Dogwood | June | White, Pink | 20-25 | Sun/Part Shade |
| | Cotinus coggygria | Smokebush | July | Yellow | 10-15 | Sun |
| | Cotoneaster var. | Cotoneaster | June | Pink, White | 2-3 | Sun |
| | Crataegus viridis | Hawthorn | May | White | 25-35 | Sun |
| | Cytisus var. | Scotch Broom | June | Yellow, Red, Purple, Pink, Multicolor | 2-5* | Sun |
| | Daphne var. | Daphne | May | Pink | 3-5 | Sun/Part Shade |
| | Enkianthus campanulatus | Enkianthus | June | Creamy Yellow, Orange | 6-10 | Sun/Part Shade |
| | Deutzia gracilis | Deutzia | May | White, Pink | 1-2 | Sun/Part Shade |

This is to be a general guideline of when trees and shrubs will flower. While there are some long blooming plants (^), most will have flowers for about 3 weeks (amount of sunlight can change this). (*) indicates that the size of the plant is dependent on variety type.

Tree and Shrub Flowers by Month

| Blooms Begin | Botanical Name | Common Name | Blooms Into | Flower Color | Size (ft) | Light Requirements |
