BEST FOR HUMMINGBIRDS

Agastache	Cleome	Lobelia	
Angelonia	Cuphea	Mandevilla	Salvia
Anigozanthos	Dahlia	Morning Glory	Snapdragon
Asters	Dipladenia	Nicotiana	Sweet Peas
Begonia	Fuchsia	Osteospermum	Torenia
Browallia	Hibiscus	Pentas	Zinnia
Calibrachoa	Impatiens	Petunia	
Cardinal Climber	Lantana	Plectranthus	

Hummingbirds **do not** care what color the flowers are! What they are after is cone shaped flowers that they can slide their long beaks into to collect nectar the flowers produce.
